Below A.P. Agent's No 570 dated the 12th July 1900.

No 5608

3-8-1900.

Returned with compliments.

2. The "Parwana" of 1263 Hijri 1847 A.D, confirms the garden at Belavatti hereditarily in the possession of Tabreyzkhan and it is expressly stated that his male & female heirs shall remain in the enjoyment of the said garden. In the agreement executed before Captain Stewart Gordon in 1859, the fact of this "Parwana" having been granted is confirmed and the garden at Belavatti is spoken of as continuable to Tabreyzkhan. It is clear that the "other property" of Lalkhatu Bibi does not include the garden - a copy of an office note by Mr (now Sir Andrew) Wingate is also attached herewith.

3. The above leads the Political Agent to think that the G.R. of 1894 No 6465 of 18th October was founded on a misapprehension, when it states that the garden at Belavatti was continued merely to the father of the petitioner.

The Political Agent would, therefore, request

86/14

Mr. Westropp to have a correct & literal translation of the documents relied on by the petitioner Abdul Shamsoddin-Khan & in his possession made & would ask the Assistant Political Agent to go into the matter carefully with the Diwan in the presence of Abdul Shamsudin Khan & submit a full report on the claim, within a month's time.

12-1-1901

Returned with compliments.

2 The w.s. respectfully begs to submit herewith a translation of the 3 documents as per margin relied on by the petitioners.

1 Translation of the Paravana dated 27th Feb 1847
2 do do of the Yad dated 11th June 1853
3 do do agreement dated 1st July 1859

3 From the wording of the Paravana dated the 27th February 1847 issued by the Nawab Abdul Dalelkhan bile Jang Bahadur I it will be clearly seen that the instrument is a mere deed of gift and that it was not passed at the time of making any settlement of a family despute under it Abdul Tabreyzkhansahib the present petitioner was to enjoy the state garden at Belvatte after the death of Lalkhatun

widow of Abdul Namuwarkhansaheb elder brother

of the said Nawab Abdul Dalelkhan I. Lalkhatu

enjoyed the garden until her death on 12th July 1891.

It is beyond all doubt that Abdul Tabreezkhan was

not put in possession of the garden when the deed

of gift was executed nor was the property in

possession of the Nawab who issued the Parwana.

By the Mohemmadan Law immediate relinquishment

of possession is necessary to make a gift valid

and a gift by a person not in possession is null &

delivery & seisin are the essence of a gift (vide Mohamed in vs Manchersh

void. ~~and~~ Also a gift must not be dependent on 6 Bom 650 & Mehera

vs Tajpouri 13 Bom

any ~~[illegible]~~ contingent; nor be referred to a future time. 159)

(~~Mohamedan~~ vide Ebrahim Yusuf alli vs collector of Zillpora 9, 138).

4 No doubt mention~~ed~~ is made of the abovementioned

Parwana in the agreement dated the 2nd July 1859 passed

by the said Nawab Abdul Dalelkhan I in favor of

Nilawarkhan (father of the petitioner) and Boodlatkhan

petitioner's uncle). But the w.s. thinks that the

parties in whose favor the agreement was passed

have not acquired any rights over the garden under the

terms of the agreement Para 2 of the agreement runs as follows in connection with the garden now in question.

" Lalkhatiberber is now in enjoyment of a garden at Belwatte. For this a parwana dated 11th Rabi Lawal 1263 Hijri has been issued in favor of your son Tabrezkhan. According to the terms of that Parwana the garden will be continued."

5. If the donation under the parwana of 1847 had been valid its confirmation in a subsequent agreement of 1859 would have been certainly useful. It has been shown above that the gift is by all means null & void moreover the land is a property of the state.

#6 The w.s. is unable to know to what particular ruling of the Madras High court Sir A. Wingate refers and can not therefore say what bearing the ruling can have on the question now under consideration and ~~commente~~ Justice therefore unable to offer any comments thereon.

7) On perusal of G.R. (Poll. Dept.) No. 18th Oct. 1894, ~~that there~~ The w.s. respectfully begs to submit that under the circumstances mentioned there may not be any material

alteration in the orders of govt. beyond a ~~tea~~ certain change

of words if the matter be again submitted to govt.

From,

The Nawabsaheb,

Savanur,

To,

The Acting Collector and Political Agent

Dharwar,

Savanur Nawabsaheb's Office,

12th of May 1889.

Sir,

I have the honor to request you to advise the below-mentioned ladies on the following subject.

In this state there is a Mahal at Savanur for Nawabs to dwell. Some part of the Mahal is occupied by lady ~~sah~~ Shahajad Begumsaheb, a ~~wife~~ widow of my late uncle the Nawab Abdul Kheir Khansaheb Bilej Jang Bahadur and some by lady Hasan Bibi saheb, his other widow. These parts are large and [illegible] consequently the remaining part

has become inconvenient and unsuitable to me to dwell, because there is no sufficiently large cooking house, no bath room ~~and~~, no drawing room ~~at all~~ and no peraglies at all in it. Besides this there is no open Ground adjoining the Mahal to get these buildings erected. For this and other minor reasons I am obliged to live in my Bangalow which is not also sufficiently convenient. I am thus in want of a conscienient, suitable & comfortable house. If the parts occupied by those ladies are joined to the remaining part of the Mahal, the whole Mahal will be convenient and suitable to me. As the ladies are childless they have been granted life cash allowances, the houses &c by the state, on the death of their husband. On their deaths the whole of their estate both moveable & immoveable is to revert to the state.

If the ladies give up the houses [redacted] are

now living in I am willingly ready to provide them, for their lives, with the undermentioned houses belonging to the state and more convenient to them than those now taken up by them.

The house of Mahajid Khan sahib my late uncle (which is the state property and vacant) to Hasan Bibi sahib and the house of late Chamunali sahib widow of my late grand-uncle The Nawab Abdul Munwar Khan sahib (which lately reverted to the state on her death) to Shahajad Begum sahib. These houses are very close to and more convenient than the ~~two~~ ones now taken up by the ladies. If I request the ladies to give up the houses they are now living in and to take up the ones abovementioned, I think they may perhaps refuse to do so. I therefore hope that you will kindly issue orders to those ladies advising them to give up the houses

now occupied by them and to take up the ones I am going to provide them with.

I have the honor to be,

Sir,

your sincere friend,

Savanur 20th April 1893

Sir,

With reference to the application from Ahemodbibi saheb received with your endorsement No. 340 of the 10th ultimo, I have the honor of stating my views as follows:

Abdul Rouf Khan saheb & Abdul Karim Khan saheb sons of the Great Nawab Abdul Dilas-Khan saheb Dilas Jang Bahadur were uterine brothers. The petitioner is a daughter of Abdul Rouf Khan and her husband is a son of Abdul

Karim Khan Saheb. It will thus be seen that they are doubly related. The disagreement existing between them may be owing to some slight cause. I beg therefore ~~my duty~~ to suggest that the Political Agent ~~should~~ will, out of mercy, advise them in writing to live together without further disputes. His admonition would undoubtedly carry great weight with them and a compromise will be easily brought about.

If either of them give no heed to the advice this tendered, then, in my opinion, there will be no other way left to the applicant than to have recourse to Law courts either to gain her end in civil or criminal, because there is no instance of political ~~Agents~~ authorities having ever granted such a request as is now made by her.

POLITICAL DEPARTMENT.

Bombay Castle, 7th September 1901.

Letter from the Commissioner, S. D., No. P.—1999, dated the 14th August 1901 :—

"The Collector and Political Agent, Dhárwár, recommends that Mr. Abdul Fayaz Khan Saheb, one of the Biradar Nawabs of Sávanur, may be granted the title of Second Class Sardar and states as follows :—

'2. Mr. Abdul Fayaz Khan Saheb is the grandson of the late Nawab Abdul Dilel Khan Saheb Diterjang Bahadur. He is a man of education, possesses good manners and a good moral character, is in the enjoyment of a hereditary allowance of Rs. 50 per mensem and a life allowance of Rs. 37-8-0 from the State. He owns Inam and other lands, the annual income of which is Rs. 600. He has besides two houses at Sávanur. Fatcha ceremonies and other religious duties on behalf of the Nawab have been entrusted to him and he discharges those duties satisfactorily. In short, he stands foremost among the Biradar Nawabs and his claims are in no way inferior to those of Messrs. Abdul Jabbar Khan or Abdul Dilel Khan who have been enrolled Second Class Sardars. His elder brother Hayat Khan Saheb was enrolled Second Class Sardar (*vide* Government Resolution No. 4448, dated 17th September 1881, Political Department). This man died without issue and applicant (Mr. Fayaz Khan) is his nearest male heir.'

"2. From the genealogical tree appended to Government Resolution No. 3144, dated the 26th April last, it appears that Abdul Fayaz Khan stands in the same degree of relationship to the present head of the family as Abdul Dilel Khan (No. 12) with claims apparently not inferior, and, as Government have conferred on Abdul Dilel Khan a title of Second Class Sardar by their Resolution referred to above, there seems no objection to the grant of a similar title to Abdul Fayaz Khan Saheb also, for rank and precedence only."

Memorandum from the Agent for Sardars in the Deccan, No. 342, dated the 30th August 1901—Forwarding the above; and stating as follows :—

"2. The present applicant Abdul Fayaz Khan appears from the Commissioner's letter under reference to be the brother of Hayat Khan Saheb, whose name was enrolled in the Second Class as a non-privileged Sardar (red ink) under Government Resolution No. 4448, dated the 17th September 1881, Political Department. It also appears that the father of the applicant, Hakim (No. 4 in the pedigree given in the accompaniment to Government Resolution No. 3144, dated 26th April 1901), was a brother of the late Nawab Abdul Khair Khan and died about the time when the name of the late Nawab was enrolled and therefore was not enrolled in the list when his other brothers were enrolled in 1866."

RESOLUTION.—The Governor in Council is pleased to direct that the name of Abdul Fayaz Khan walad Abdul Hakim Khan should be entered in the list of Second Class Sardars of the Deccan for rank and precedence only, and that he should be presented with the usual dress of honour on the first occasion on which he attends the annual Darbar held by the Agent for Sardars.

To

M. C. Gibb Esquire
Collector & Political Agent
Dharwar.

Sir,

I beg to present you my most respectful compliments & to submit the following lines for favour of due consideration.

To go on a pilgrimage to Mecca & Madina is regarded by a Mohomedan, as one of the highest religious duties, not only this, but that every man should do so has been enjoined by our Sacred Koran.

I am now more than three Score: so it is now proper time for me to go on a pilgrimage to Mecca & Madina & perform the necessary ceremonies there. Had my son, the deceased Nawab Abdul Dalerkhan saheb Dilerjang Bahadur, been alive he would have very gladly sent me on the

said Pilgrimage giving with me a retinue of followers well becoming my social status. But the decrees of fate must be submitted to. I am glad to look upon you now as standing in his place and so I earnestly hope that you will be pleased to do what he would have done for me.

It is now nearly thirty five years since my husband, Nawab Abul Khair Khan Saheb Dilerjang Bahadur, died. Since then I have been living with what monthly allowance the State has been pleased to grant me. During this period of time I have never troubled the State with any demand for expense on my account.

The expenses that will have to be incurred on account of the said Pilgrimage are as under: ——

Rs 1400. on account of four persons namely, a maid servant, a cook & a male servant & a relative serving as a companion & guide.

I have been informed by experience persons that each man will require at least Rs 350 for the purpose. This sum includes

all sorts of expenditure such as Railway fare steamer fare etc.

Rs 1400 for personal expenses.

Rs 1000 for giving alms befitting my rank & position & for the performance of religious rites in the name of my deceased husband and son.

At the time of my marriage the dowary to be paid to me was fixed at Rs 22000 Ashrafi gold mohurs. Had my husband or son been alive he would have taken this thing into consideration and would have gladly been ready to spend a decent sum on this occasion for me.

Lastly, therefore, making a fresh request that you will be good enough to consider all these things & sanction the calculated expenses for the said Pilgrimage.

Returned with compliments.

2) (a) The applicant gets an allowance of Rs 100 per month.
(b) She possesses Inam lands (3 S. Nos) measuring 71 acres & 3 guntas & assessed at Rs 299. The annual income —

Khanyadas

income from these lands is

Rs 500

(C). The charges on account of Railway, steamer & other fares and meals per head are said to come to Rs 250 to 300 for the journey from & to Mecca & Madina. This information is obtained from persons who have actually gone to Mecca from Saranip. The applicant wishes to take ~~about~~ 3 servants, ~~a cook, a male servant~~ & a relation with her. A female cook may serve both as a maid & a cook. A male servant & a relative seem necessary. The total charges on account of 3 persons will be Rs 900

Personal expenses on account of passage & food need not exceed, daily the above ~~[illegible]~~ estimate viz, Rs 600

The performance of religious

Ceremonies may be estimated to cost Rs 500

The total expenditure may thus be calculated at ~~Rs 2000~~ Rs 2000

(d) The expenditure can be provided by re-appropriation from Head No 13 of the Expenditure Budget – Remuneration to Village officers (Rs 4211)

3) The undersigned ~~& and the lady~~ & explained to her the fatigues she will have to undergo. She ~~is ready to undergo them~~ says she is sufficiently strong ~~for the journey~~ & is ready to undergo the fatigues

4) The annual income of the lady is Rs 1200 + Rs 500 ~~accounting~~ from her allowance & lands respectively. About six months will be required for the lady to return to Savanur. Her income

During this period would be Rs 850. The extra cost would thus be Rs 2000 − 850 = 1150 or 1200 in round figures. A grant of Rs 1200 from the State & an advance of ~~Rs~~ 6 months allowance Rs 600 would thus meet the case.

Hubli 29th October 1903.

Forwarded with compliments. The lady appears determined to go & asserts that she is equal to the journey. Mr. Ahmad Khan Pathan also says that she is perfectly well able to undertake it.

The A/S is unable to agree with the Diwan's recommendation. If the lady is allowed to go as it is supposed she must be, she ought to have enough money to enable her to do the pilgrimage in a manner befitting her ideas of what is due to her rank. The A/S would recommend a grant of Rs 3000 in lieu of the allowance the applicant

might have the amount for 6 months or as many months as she wishes, paid to her in advance so it may be allowed to accumulate pending her return if she prefers that. Probably it would be most convenient to her if a part of the 6 months' allowance say 3 or 4 or even 5 months' were advanced to her and the remainder paid ~~later~~ on her return. But she should the Agt thinks be asked which arrangement she would prefer.

Pilgrims.—

Arrangements in connection with the pilgrim season of 1903-1904.

General Department.
No. 5334

Bombay Castle,
10th October 1903.

Letter from the Government of India, Home Department (Sanitary—Plague), No. 1490, dated the 30th September 1903 :—

"With reference to the correspondence ending with your letter No. 1474, dated the 5th August 1903, I am directed to forward, for the information of the Governor in Council, a copy of the papers noted on the margin, regarding the pilgrimage to the Hejaz during the ensuing pilgrim season.

Telegram to the Secretary of State, No. 1387, dated the 10th September 1903.
Telegram from the Secretary of State, dated the 16th September 1903.
Home Department Notification No. 1485, dated the 30th September 1903.

"2. It will be seen that the Secretary of State has agreed to the proposals made by the Government of India that provincial camps for the preliminary observation of pilgrims should be abolished and that pilgrims should be permitted to proceed direct to the large camps at the ports of shipment. In accordance with this decision Bombay and Chittagong will be ports for the embarkation of pilgrims. The route *viâ* Chittagong is intended for the convenience of pilgrims from Bengal, Burma and Assam and that *viâ* Bombay for pilgrims from the rest of India (including Kashmir, Baluchistan and the North-West Frontier Province) and from beyond the border. I am to request that early arrangements may be made for opening an observation camp in the neighbourhood of Bombay (but in any case away from any area within which plague may be present) where intending pilgrims may be collected and where they may be detained under the careful superintendence of a commissioned medical officer for at least ten days and their wearing apparel, bedding, etc., disinfected. Passage tickets to the Hejaz should be sold only at the observation camp, and I am to request that the necessary steps may be taken to enforce this order and to make it known to shipping agents.

"3. I am also to request that, at the end of the pilgrim season, the Government of India may be furnished with a detailed report stating the arrangements made by the Government of Bombay for the despatch of pilgrims to the Hejaz and showing the effect of the present orders.

"4. With reference to paragraph 5 of your letter, I am to say that the Government of India are unable to agree to the proposal that only those pilgrims who can produce Rs. 50 over and above the cost of their tickets and food for the journey to Jeddah should be admitted to the observation camp. It is understood that the intention is to ensure that all departing pilgrims should be provided with the means of returning to India. The Government of India think, however, that Rs. 50 is not a sufficient sum to cover the incidental expenses of travel in the Hejaz and the cost of the return tickets. Moreover, they have consistently adhered to the principle that it is undesirable to take action which, by preventing the poorer classes from proceeding to the holy places, may be construed as interference with the discharge of a religious duty. For this reason they have decided to adhere to their previous refusal to insist on the purchase of return tickets and they are therefore reluctant to adopt the proposal now made by His Excellency the Governor in Council, which is made with a similar motive and would operate in a similar fashion.

"5. The Government of India agree with the Governor in Council that the system adopted by the Government of Bengal for the supply of steamer tickets to pilgrims may with advantage be brought into operation at the Bombay port of embarkation.

"6. In paragraph 26 of the report which accompanied your letter of the 5th August 1903, it was stated that the issue of sovereigns to the pilgrims had resulted in loss. I am to suggest that arrangements should be made in future for their issue from the Treasury at the authorised rate of exchange as appears to have been done at Karáchi."

Telegram from His Excellency the Viceroy to the Secretary of State for India, No. 1387, dated the 10th September 1903 :—

"Your telegram of 8th October last. Arrangements for approaching Hejaz pilgrimage. Reports accompanying our Sanitary Despatch of 10th September show system of provincial camps for preliminary observation of pilgrims is wholly ineffective. A large majority evade them and proceed to central camp direct. We think it impossible to prevent evasion without harsh measures. Accordingly we propose to allow direct access to large camps at two ports of shipment Bombay and Calcutta or Chittagong and enforce full observation and disinfection there on existing lines. We are quite satisfied that these precautions sufficient. We shall be obliged if Your Lordship will telegraph decision, as pilgrim season imminent."

Telegram from the Secretary of State for India to His Excellency the Viceroy, dated the 16th September 1903 :—

"Your telegram of 10th instant, pilgrimage. Modification of arrangements approved."

RESOLUTION.—A copy of the letter from the Government of India should be forwarded to the Departments concerned for information and guidance with reference to Government Resolution No. 4073, dated the 5th August 1903. The notification of the Government of India has been republished in the *Bombay Government Gazette.*

2. Copies of the notification should be forwarded to all District Officers, including Political Officers, with a request that wide publicity may be given to the orders of the Government of India. Copies of the notification should also be forwarded to the Commissioner of Police, Bombay, with a request that they may be distributed among the principal Mahomedans in Bombay. The Oriental Translator to Government should be requested to cause the notification to be translated into the Urdu language with the least possible delay and to forward the translation to the Superintendent, Government Central Press. The Superintendent should print it and supply copies to officers on indent. Officers are requested to lose no time in sending their indents to the Superintendent.

3. It has already been ordered that the Central Camp should be located at Pir Pao in the harbour of Bombay. The Commissioner of Police, Bombay, should arrange for the reception of pilgrims in Bombay and their despatch to the camp in communication with the Health Officer of the Port of Bombay and the Commissioner of Customs. After the pilgrims have undergone the prescribed period of detention in camp they should be taken direct on board, under arrangements to be made by the Commissioner of Customs, after all necessary precautions to prevent infection have been taken. Shed accommodation already exists at Pir Pao, and the requisite additions and alterations should be made without delay. The working and supervision of the camp should be entrusted to the Health Officer of the Port, the general control of the arrangements being under the Commissioner of Customs.

4. The arrangements ordered by the Government of India should be made known to shipping agents and pilgrim-brokers, and the attention of the latter should be invited to the direction contained in the notification of the Government of India that no passage tickets for the Hejaz shall be sold except at the place appointed for the detention of intending pilgrims under observation.

5. Early application should be made for sanction to establishments required, the Health Officer arranging with other Departments for such establishments as he may require through them.

6. At the end of the pilgrim season, a report should be submitted to Government with reference to paragraph 3 of the Government of India's letter.

7. A copy of this Resolution should be forwarded to the Government of India for information.

Savanur 18th Jan 05.

Returned with compltS to Diwan of Savanur.

2). The petitioner Mr Abdul Nabikhan of Savanur asked me manya times, after my arrival here, to supply him with medicines mostly poisonous – such as Lint Iodine, Ext. Belladona, Liq Strychina, Prussic acid, Chloroform &c., irrespective of the diseases from which he was suffering. I could not comply with his request on account of the responsibility resting on me. It is of course my duty to prescribe medicines after diagnosing a case, & so I could not, as well allow him to dictate to me prescriptions of his own, he being a layman, for his mis-conceived illness.

3) Being discontented on this account he has set forth in the applN the charge of uncourteousness, &c towards patients, against me & I beg to submit that it is totally false, as you will come to know from the improvement in the daily personal attendance of patients since I took charge of the Dispensary; moreover it will be ascertained from the previous

records that I have been serving from the last 11 years as a medical officer in charge of several dispensaries, as, at Gokak, Nandgod, Honawar, Haveri & Parner to the entire satisfaction of all those concerned there.

4. As for the truth of my statements regarding the applt as well as with regard to his impertinent behaviour towards me in the dispensary the compounder & the dresser may be asked if necessary.

5. Although the dispensary hours are from 7 to 10 A.M. in the morning, I am obliged to keep it open, every day from 7 to 11 A.M. & even at times up to 12 o'clock owing to the large number of patients that attend the dispensary in the morning. I keep it open from 4 to 7 P.M in the evening although the time prescribed is from 5 to 7 P.M., to suit public convenience, though I find from my experience of the last 2 months that very few patients attend the dispensary in the evening & those who attend, usually come before 5 P.M. Besides attending to the patients I am to look after my other duties in the dispensary & also to visit patients that are seriously ill,

irrespective of the time when my aid will be called for. I am thus busy in attending to my duties from morning almost till bedhour every day.

6) Under these circumstances I shd certainly count upon myself a miserable man if I am not allowed to attend the tennis club, at a distance of only 3 minutes walk from the Dispensary for 1/2 hour after 5-30 P.M., during leisure time if any to enjoy the benefit of a little physical Exercise as well as of the relaxation of weariness caused by the days' hard work. I may add that I have given express instructions to the compounder, who is an experienced hand of 12 years service, to send me a word, at once, in case a patient comes to the dispensary, in my absence, requiring my immediate attendance.

2nd G. H. Asstt.

2066 of 1905 Saranur.
12th Feb 1905.

Forwarded with compliments to the Asstt. S. Agent.

2). The charges chiefly brought against the Hospital Asstt are in the words of the petitioner as follows:—

(a) The Hospt. Asst. is a 1st rate hard hearted man.

(b) He is discourteous & habitually uses trenching words to the patients.

(c) He places various obstacles in the way of the patients. It is as difficult to obtain medicines from him as it is to obtain the milk of a tiger.

3) The Hospt. Asst. explains that the petition is the outcome of his refusal, for reasons given, to supply medicines & poisonous drugs without prescriptions or as per prescriptions or as per prescriptions detailed by the petitioner.

4) On the 21st Ult. a dispensary committee was held & the Divan was the chairman. The assembled patients were asked, as usual by the committee if they were properly treated and the medicines dispensed in time. They said, without an exception, that they had no complaints to make.

5). There is no apparent reason to doubt the statements of the patients or the explanation of the Hospt. Asst. given above.

(6) The Ufs is aware that the H. Asst. has to work beyond the Dispensary hours. So long as the patients are not inconvenienced & there is no neglect of duty, it will behove

on the H. Asstt, if he were not to have his exercises.

7) Letter No of the 25th Ult recd from the Hospl. Asstt is enclosed. It is reported that Dr. A. Rabikhan (the same petitioner) insisted on certain medicines being given to him, that the medicine given on the 16th Ult was thrown away by him & that a threat was held out to the Hospl Asstt that the medicine given on the 25th Ult wd be sent to the Civil Surgeon for Exam as it was not the medicine wanted by the petitioner.

If a medical Officer is to be held responsible for any consequences that may ensue, it is necessary that he shd be allowed to use his discretion & give such medicines as he thinks, are suited to any particular case.

Copy [redacted] letter dated 18th December 1904 from the Civil Surgeon, Dhorajee to the Personal Assistant to the Surgeon General with the Government of Bombay

---

With reference to your No. 12928 dated 1st December 1904, I have the honor to inform you that I have visited Savanur, and seen the relative position of bathing place complained of, and the houses of the petitioners. I am of opinion that although the custom of bathing corpses in the lane in the front of the petitioners' houses is objectionable as a matter of decency, there is practically little or no chance of [illegible] being conveyed by it. At present the lane is far from sanitary, little better than latrine, and as it runs close past the Cutchery and one end of the nawab's place, the proposal of the Diwan that the nawab should take up the area bounded by the main road on three sides of the palace giving the present occupants (about 30 families) houses elsewhere appears a good one.

With ref to your No 58 of 10th Feb last I have the honor to report that when Lt Col Lyons, Civil Surg Dharwar, was here last, he visited the quarters occupied by the Khanjadas behind the Nawab's Mahal. On being asked what may possibly be done to improve the insanitary condition of these quarters, I proposed that the area bounded by the drains on the three sides of the Mahal ~~the~~ ~~Gattigit taxpayer acquired~~ & occupied ~~partly~~ by the Khanjadas as far as possible may be acquired, the present occupants being given

houses on the ~~ex~~ proportionate cost of rebuilding the houses, elsewhere & that the area thus acquired may be partly added to the ~~[illegible]~~ unexpired gardens of the vicarage & partly turned into a flower garden.

Sir

With reference to your no above quoted in centre of this office no 253/26-5-05

I have the honor to report, after enquiry, that there are altogether 30 owners of houses in the market in question. Of these 2 houses belong to the State.

Twenty six owners out of 28 have been ~~exo~~ consulted. Of these 7 ~~are agreeable to~~ agree to give up their houses in the market on condition that new houses are built for them at other places at the expense of the State

& ~~that~~ of the same pattern that they have now & that the customary service of the Bhangi, Bhisti & Dhobi stipend is continued to them at the new houses & that the new sites ~~shall~~ be given ~~rent~~ free of rent & municipal tax.

The others (19) are unwilling to give up their present houses.

2). Thus alternative seems to me to acquire the houses under the Land Acquisition Act which is applicable to the State. The cost of acquisition, it may be noted here, may, roughly speaking, be not less than Rs 15000.

It having been submitted from this office that the majority of persons concerned were unwilling to comply with the suggestion and that compulsory process will have to be exercised for the acquisition of the land round the Mahal, the Political Agent has been of opinion that the urgency of the case is not such as to warrant compulsion and that in the circumstances there is no possible action except the exercise of vigilance in preventing the nuisance. 2) From the genealogical table herewith appended it will be seen that the applicant Abdul Majid Khan Sahib is a grandson of a former Nawab of Savanur, Abdul Dalel Khan Saheb Dilerjang Bahadur.

He is a well-educated gentleman who has good manners & a good character has a hereditary allowance of Rs 50 p.m. from the state (in addition to a life allow. of Rs 37-8-0) & an annual income of Rs 600 from land & attendants & owns besides 2 houses in Savanur. The applicant was selected by the P. A. to

perform Taluqha Government & religious duties on behalf of the nawab (see P. A. No 908 dated 6 March 1899) and he has been discharging these duties satisfactorily. It will thus seem that his personal claims for the hereditary are in no way inferior to those of Abdul Jabbar Khan or Abdul Dilel Khan who have been enrolled as Second Class Sardars for rank & precedence, viz.

3 It is true that applicant's father Abdul Karim Khansahib was not enrolled as 2nd Class Sardar but this was apparently owing to the occurrence of his death before his four brothers were enrolled. His elder brother Abdul Hafat Khansahib

however was enrolled as second class

Sardar by G. R. (Poll) No. 4448

dated 17 Septr 1881; and the

applicant as the only surviving

male heir of his brother is entitled

to succeed to his courtesy title of second class

Sardar.

Sir.

I humbly beg to state that I received your orders informing me that I will not be appointed in the State as a mustring Kottwan & that if I were to apply more for the same my applications will be recorded.

~~At the time of the late Nawab~~ At the time of the late Nawab I served successively for more than 2 years on the construction of the palace & dispensary during which period I gave satisfaction to the Nawab; who believed me deeply and therefore by the recommendation of the Diwan my pay was raised from 8 to 10 soon after the death of the Nawab the work of the Palace was stopped and thus being no work at all I was thrown unemployed. Later on

when the construction of the sub Treasury buildings of the dispensary was commenced, my claims were not taken into favourable consideration. I hear that the work of the Kalva of the tank at Savanur is shortly to be commenced. I most humbly request therefore your honour will be gracious enough to appointme on that work. I further beg to state that if I were not to be re employed, I humbly beg to request you will be good enough to let me know of the reason —

I have the honour to report as follows.

This applicant is a distant relative of the Nawabi family. He was a mushrif Karkun while the administration of this State was in the hands of the late Nawab Abdul Shubhan Doler Jang Bahadur. At that time, thinking he was a Khan Jadhe, he did not behave in submission to the orders of his superiors as his

position required him to do. He also used to make delays in preparing morning reports and other office duties. Besides this The same This applicant has petitioned against over-seer ~~wrongly~~ under whom he is going to serve.

considering all these circumstances he is in no way fit for any employment in this State. But it is certain that he will cause hindrance to the work if he be given the place of a mustring Kartani

He has applied three applications to the Political Agent to the same effect but they have been disposed of by you with no future arrangements having been made therefor

They are as follows:—

2. The petition being somewhat unintelligible the petitioner was asked to explain by what ~~[illegible]~~ rights he claimed a share in the allowance held by deceased Lal Khan. His reply is appended in original.

113 A genealogical tree so far as Bijjakhan the 10th son of Nawab Abdul Hakim Khan Sahib is concerned is enclosed together with a copy of the agreement of 2 July 1859 executed by Kaprik Khan Saparkhan

Mariam Khatun, Samsher Khan & Mahmed Khan, in which the allowance payable to each is specified. Now the petitioners contention is that the allowance (Rs 7-12) held by Kasam Khan should have been continued to his daughter Dowlat Khatun (petitioner's grandmother) instead of Lal Khan son of Jafar Khan. From the receipt book for the year 1861 it appears that Kasam Khan passed a receipt for his allowance on 16 May 1861 & that Lal Khan passed a receipt for the same allowance on 10 August 1861 as heir & administrator of deceased Kasim Khan (मजकूर कासम खान नरखान जाहे फौतीया-ने वारसदार मजकूर या कविणार कासम खान नरखान जाहे) [illegible]

(It is misstated that Lal Khan was treated by Kasim Khan as his adopted son [redacted]

thus be seen that the entry of ~~the allowance~~ of Kapim Khan's allowance in the name of Lal Khan was sanctioned during the time of Nawab Abdul Dulel-Khan, but the nawabship ever is not traceable. As Lal Khan has enjoyed the allowance for near 40 years, his right to hold it cannot be questioned at this time. It may be that when he inherited the allowance of Kapim Khan, no direct heir of Kapim Khan was alive. Had Dowlat Khan been alive at the time, she would have claimed a share in the allowance

4 ~~Jam~~ Pelatanen belongs to a different Dutta (Branch) from that to which Lal Khan belongs, and from the agreement it will be seen that members of one Dutta ~~cannot~~ are precluded

To

His Excellency Right honorable the

Governor of Bombay in council

Bombay

The humble petition of Nyabbibi

husband Riyasat Alli Khan on

behalf of her son Sayagh Khan

minor, resident of Savanur

State in Dharwar ~~State~~ District

Respectfully sheweth

That your Excellency's humble petitioner most respectfully begs to appeal against an order in Canarese herewith accompanied passed by J. F. Muir esquire, the collector and Political Agent Savanur in the matter of an hereditary cash allowance of Rs 11 per month due to your Excellency's petitioner.

That your excellency's petitioner's son Fayaz Khan is a great Grandson of Rahim Khalu bibi. Rahim Khalu bibi was one of the daughters of late Nawab Abdul Khair Khan Sahib, who died in 1827. She had been granted by her father a monthly allowance of Rs 11 from the State.

The Nemnuk was made an hereditary one and it was so entered in Petta Khalu of the State. Such being the case the Late Nawab Abdul Jul Eej Khan through a private animosity ordered it to discontinue after the death of your excellency's humble petitioner's mother in law the said Rahim Khalu bibi. The accompanying genealogical tree will show the title of your excellency's humble petitioner to the said allowance through her son

Fayaz Khan

That your Excellency's humble petitioner's mother in law had one son by name Ismail Khan. This Ismail Khan had two sons. The elder was your Excellency's humble petitioner's husband, Riyasat-Ali Khan; and the younger Jahanpir Khan who died in his child-hood before the death of your excellency's petitioner's husband.

That your Excellency's petitioner has one son and one daughter. Therefore is no one ~~surviving~~ ~~living~~ surviving except your excellency's petitioner's son the male heir of Rahim Khatun bibi. She has therefore a sole right to the cash allowance of Rs 11 entered in her great grandmother Rahim Khatun bibi's name

That your excellency's petitioner further begs to bring to the notice of your Excellency a case exactly similar in which a monthly cash allowance of Rs 15 granted to Murad Khalubibe has been allowed to continue in fact whereas the one in question has been stopped without any reasonable grounds. The said monthly cash allowance of Rs. 15 was entered in the name of Murad Khale who is also a daughter of late elder Nawab Farid Khan. This allowance as well as your excellency's petitioner's mother in laws allowance were granted by the same Nawab to thier daughters for thier ~~mentan~~ maintenance. Such being the case your Excellency will be

pleased to see the injustice done in the petitioners case by the late Nawab Abdul Rubeekhan in discontinuing the Cash allowance while the other allowance of the same nature without distinction should be continued to the male line of Murad Khatu whose Grand sons Rahimkhan Hamuvarkhan Adinkhan and Gousekhan respectively have been enjoying it. A genealogical tree showing the descendency from Muradkhatu has been herewith annexed for your excellency's perusal

That your excellency's petitioners made an appeal to the collector and Political Agent Savanur who rejected it simply

that he did not see sufficient reason to interfere with the ~~decision~~ decision of Cutta Rowth Abdul Kadir Khan. Your Excellency's will further be pleased to see the opinions given by Rao Bonus the 1st Asst Collector and Rao Shahib Diwan of Savanur on the petitioners appeal case to the Collector.

Under the above circumstances ~~to~~ your ~~humble~~ Excellency's humble petitioner humbly prays that your excellency will kindly be pleased to call forward look into the straightened circumstances of your excellency's petitioners order the continuance of the allowance.

For which act of kindness your excellency's petitioner as in duty bound shall ever pray for your

Excellency's long life and prosperity

I have the honour to report together with the previous correspondence as follows: The elder Nawab Abdul Kaiir Khan Saheb Deler Jang Bahadur had three daughters namely Rahim Khatu bubu Murad Khatu and Sultan Khatu. The second daughter named Murad Khatu bubu had from the state a cash allowance of Rs. 15 per month. She died in 1871 and her allowance is continued to her heirs by order of the Political Agent given below the yade No. 5/12-5-71 produced by Imam Kasim Khan Saheb brother Nawab. The vernacular correspondance concerning this is here with annexed Marked A

The third daughter Dulan Khatu, who is alive, is still enjoying her allowance from the State.

The eldest daughter Rahem Khatu bibee, the deceased in dispute had also a cash allowance of Rs 17 from the State. The Rahim Khatu had a son named Ismail Khan and ~~had~~ a grandson named Riyasat Alli Khan who died before her. She died on 20th may 1890 leaving her after as her heirs a minor great grandson named Fayaz Khan and his mother Myabbebi wife of Riyasat Alli Khan.

Soon after this the then Diwan Row Bahadur Gurrao Krishna Sed- mitted to the Nawab a report No 109 5-10-90 requesting whether her allowance should be continued to her airs

or not. To which the Naib Wazir

order No. 330/243-91 to discontinue the

allowance to his heirs on the ground

that they did not produce any Sanad

to entitle them to it. All the vernacular

correspondence connected with this are

here with appended marked B

The allowance of the Murad Khatu,

younger Sister of the ~~deceased~~ deceased in dispute,

has been allowed to her heirs while the

allowance of this Rahim Khatu bubu is stopped

This has caused the petitioner to put

forth her claim.

Then the petitioner appealed

to the Political Agent for decision.

Upon which the Political Agent expressed

in his letter No. 487/19-5-93 to the effect that

he did not find any sufficient-

reason to interfere with the discussion of the Nawab arrived at

Sir

In returning the papers received with your No. 1619 dated 17th October 1893, I have the honor of forwarding a report of the Diwan (with accompaniment, which may be returned when done with), No. 26 dated 18th January 1894.

2 It appears that Nawab Abdul Kaiskhan had three daughters. Cash allowances were granted to all three: one is still alive, one is dead but her

heirs still receive the allowance. The third is dead, but her heirs (of whom the applicant Hyatbli is one) ~~to~~ no longer receive her allowance, which was discontinued by the order of the late Nawab in 1891

3 The late Nawab's policy – a very proper one in my opinion – seems to have been to cancel these numerous petty pensions from the State as far as possible. The applicants allegations of private animosity are not supported by any facts within my knowledge and seeing that the Nawab was absolute ruler of the State, I am of opinion that his order should be upheld – otherwise every one of his reforms will be called in question by parties considering themselves aggrieved by them

2 The Asst. Political Agent in his No. (Vernacular) 602 dated 6th May 1893 recommended the continuance of the cash allowance of Rs 11 to the heirs of Rahimat Khatu Bibi deceased on the ground (1) that there was no reason to treat this allowance differently from that held by Murad Khatu bibi and ordered by the Political Agent in 1872 to be continued to her (Murad Khatu bibi) heirs (2) that the cash allowance has been entered in the state accounts as hereditary, and (3) that Abdul Kasim Khan Saheb Biradar Nawab, father of the late Nawab

Subzegkhan (who had directed the ~~dis-contt~~ continuance of the allowance) had stated under date 12 January 1871 that the cash allowance held by Murad Khatu Bibi who died in 1871 should according to the custom of the state be continued hereditary. Mr. Bonus, however, expresses in his present report ~~the opinion~~ the opinion that the late Nawab's order directing the discontinuance of the allowance held by Rahim Khatu Bibi should not be interfered with without giving the reasons for the modifications of the views previously expressed. Mr. Bonus is therefore requested to state fully the grounds for the modification of the opinion expressed in his vernacular No. 602 dated 6th May 1893. If fully

pensions are to be cancelled, inequality of treatment should be avoided

3 Mr. Boyce is also requested to ascertain and report from what year that cash allowances held by these sisters came to be entered in the accounts as hereditary also whether it is the recognized custom of the state to continue the old grants of cash allowances made by the Nawab which are shown as hereditary in the accounts, although no sanads are forthcoming in support of the grants. No 44 of 1893-94

Savanur 21-2-94

Returned with compliments to the First Asst Collector and Asst Political Agent

I have the honour to report on portions marked in blue pencil.

In this State before the commencement, the year 1875-76 there was no Petha Khatha accounts for entering these allowances under the respective heads as hereditary or for life only. But in the year 1875-76 by the order of the Political Agent the practice

of keeping the Petha Khata accounts was introduced in which the allowance of Rahimkhan Bubu was entered as a hereditary one which was groundless. It seems to my opinion that this was not entered after full inquiry. the copy of the Pettas Khata for the year 1875-76 as far as it affects the Nos 12, 13, 14 (The number 14 being the one against which the name of Rahimkhan has been entered) I accompany for perusal marked (D) In the forth Column of the same Pettas Khata, which deals with the order, and date

of authorities and the date of the sanads granted, the word (ditto) has been entered against the name of this Rahim Khatun Bubun and also under the same head against the number 12, has been entered the Political Agent's urgent a vernacular letter in word No 71 + the order, which is among
1-3-92
the correspondence marked (A) carried on in the case of Murad Khatun has not been issued to direct the entry of the allowance as a hereditary one but to enter only the names of Murad Khatun's heirs in the Petha Khates.

There had been no reason to enter the same words against this allowance too: A mistake

done by the slip of the pen has been previously mentioned in the correspondence marked (B) No sanads are forthcoming in support of the allowance as being a hereditary one and no written proofs are produced to grant it by the applicant. There is no recognised ~~con~~ custom of the state to continue the allowance to be hereditary only because it was entered groundlessly the Pethas Khate as a hereditary one

Petition from Hayatbibi, widow of Riyasat Ali Khan, on behalf of her minor Son Fyaz Khan.

No. 2850

Political Department

Bombay Castle, 16th May 1894

Memorandum from the Political Agent, Dharwar, No. 2029 dated the 29th March 1894 — Forwarding, with the papers in the case and his remarks, a petition, dated the 19th September 1893, from Hayat bibi widow of Riyasat Alikhan, who prays for the continuance of a cash allowance of Rs 11 to her son Fyaz Khan, minor from the Savanur State.

Endorsement by the Commissioner S. D. No. Pol-97, dated the 20th April 1894 — Forwarding the above, together with a subsequent correspondence with the Political Agent and making remarks

Resolution — The principles upon which Government Resolution No. 4135, dated July 2nd 1890 proceeded was that a Nawab of Savanur could not charge his estate beyond his life-interest in it without the special sanction of Government. The grant in that case had been made to a State official. In the present case a claim is made by a great-grand-daughter-in-law of the Nawab Abdul Khirkhan, who died in 1827

for the continuance of an allowance of Rs 11 to her minor son. Poverty is pleaded and not denied. It seems to Government that no title to a perpetual pension is made out, and that the claim must be treated as one to a compassionate allowance based on family considerations and an act of grace. From this point of view the Governor in Council as administering the estate for the minor Nawab, is pleased to recognise the claim, during the life of Hayat-bibi or the minority of her minor son Nayazkhan, whichever lasts longest. It is unnecessary to reopen the case when the minor Nawab-

comes of age if the lady is still alive, since Government on his behalf are competent to pass final orders.

2 In the case of the representatives of the other two daughters of Haji Abdul Khan the Political Agent may, when the occassion requires adopt the same principle, and if the charitable grants are needed for their support, he may order their continuance on similar terms.

Signed/W. Lee-warner
Secretary to Government.

Dharwar.

Sir,

I the undersigned brother of the late Nawab of Savanur beg respectfully to place before your honour, the following few lines hoping that they will meet your honour's mature and favourable consideration.

2. In accordance with the long standing custom prevalent in the Savanur Nawab's family, the anniversary ceremony called Uras and anniversary incantations called Fatya of the late Nawab and his ~~life~~ wife and other dead near relatives has bee

performed by me, as the present Nawab is a minor and I am the nearest relative of his. But, a few days ago, I was told a body of Punch was to be appointed to do the above said ceremonies. After this, I saw your honour and your honour told me that I should give a written protest regarding the matter. I did so accordingly. The matter was referred to the Diwan. But I am not aware what opinion he has expressed on the subject. But, as the Diwan is now told by your honour to submit the names of five members to form a Panchayat committee. I feel sorry to state that I am driven to the necessity of troubling your honour on the subject.

3. The following are some of the causes for allowing me to perform the aforesaid ceremonies.

(a) If religious experts such as Moulvis & Khajis be consulted on the point they will give

their decision in my favour.

(b) These ceremonies are to be performed by the personage occupying the throne, but if he be a minor the nearest elderly relative should perform them.

(c) During the life time of my uncle Nawab Khaikhan, some dispute having arisen, it was decided by Government that some of ceremonies should be performed by the Nawab himself & others by his brother i.e my father. This state of thing continued during his minority of Nawab Khaikhan and after he attained his majority, he alone performed these ceremonies. Had the custom & practice allowed, a Punch would have been appoined but as under no circumstances any Punch could be appoined, no Punch was appointed.

(d) The present Nawab of Savanur being a ~~minor~~ minor and I being the near relative, your honour will kindly and justly allow me to per-

form these ceremonies as heretofore without appointing a Punch as contemplated.

Under the above said circumstances your honour will no doubt think that I am the proper person to perform the above said anniversaries and I begs to request that you will graciously be pleased to cancel your order for the appointment of a Punch and allow me to perform these ceremonies in accordance with our family custom and our religious tenets.

Hoping to be excused for the trouble.

I begs remain

I beg humbly to report that the statement made by Abdul Ramaverkhan that it has been decided by Government during the life time of the Nawab Abdul Khairkhan Diler Jang Bahadur that the ceremonies should be performed by his (petitioner's) father instead of the Nawab

is erroneous. During the time referred to they used to be solemnized by the Latter. On his death in 1868 his son and successor to the Gadi being a minor of 5 years of age, the work was intrusted to Abdul Kashimakhan Saheb (father of the petitioner and eldest of the younger brothers of the deceased Nawab) by the Political Agent on the recommendation of the then Diwan. No orders have then been passed by Government on the Subject. (Vide vernacular correspondence hereto appended) x

The Political Agent,
Dharwar,

Sir,

I have the honor to reply to your No 4890 dated 10th July 1896 and to state in the first place that Hamavar Khan is a most decidedly unfit person to be entrusted with the ceremonies or rather the cash attached to them.

Subject

Right of performing the Urus & fatcha ceremonies of the Savanur Navabs family

The vernacular correspondence ending with the Divan's No 235/24-5-96 contains some information about this youth who has been accused

of

of culpable homicide, rape and various minor offences, but never convicted on account of obvious difficulty of getting evidence against, an uncle of a future autocrat of the state.

He is stated by all respectable persons (non official Brahmans as well as Mohamadans) to spend 1 anna in the rupee of the cash allowances on the ceremonies for which they are granted.

With regard to Shahzad Begum there is no personal objection, but it would be precisely the same as allowing Hamavor Khan to continue administrator. She is his aunt, and he would be her agent and factotum; and being purdanishin, she would be

no

no more than his 'nom Dr Thiaton.'

On the death of ~~Sikar~~ Diler Khan Deler jung Bahadur the political Agent appointed Amir Bibi to manage the allowances. She is also guardian of Shahajahan Begum the late Nawab Dilar Khan's only ~~morning~~ surviving child. She is the best person to entrust with these allowances. She will execute the ceremonies in a proper manner by agents who are more to be trusted, and who can and should be directed to institute accounts and duly answer for the disbursement of the sums entrusted to them.

Must be mentioned by the P.A

No one will oppose this but Namavar Khan who is a youth whose age and character

character do not by any means fit him for a religious trustee.

I am certainly of opinion that no ground of economy or convenience can justify the appointment of a Pancch to perform what is the prerogative of all reigning families.

Nor do I see that any economy or convenience will result: as the amount of the allowance seems to be fixed. If there were a dispute between members of the family, the question wd be complicated: but there seems to be none. 5.7.96

Dated August 1896

The petitioner claims a declaration of title to perform certain ceremonies. I find it has always been the custom for the state to actively interfere in all questions of religious trusts and that therefore it is an executive matter in which I can properly give an order

I then find by enquiry of the officers and well informed inhabitants of Savanur, that till last year no question was ever raised as to the right of Abdulla wd Husain Hafiz to perform the ceremonies of exhibiting the hair of ~~the Peir Mubarak~~ the prophet and taking the sugar and other offerings and giving 'odaki' to the people. last year an attempt to oust him by force was made by Ramavar Khan Biradari

Navale

Kavab. The ceremony is recurring in a few days

I prohibit all interference with Abdulla wd Husain Hafiz in the matter. He has a clear prescriptive right to perform the ceremonies. any counter claimants must seek redress in a legal manner.

The District Magistrate will see that the executive force of the state allows no interference with the established right of Abdulla Husain Hafiz. if any person should be foolish enough to interfere there with.

Respected sir,

I the undersigned most-
humbly and respectfully beg to
lay before your honour the following
few lines hoping that they will meet
with your kind consideration.

My son Wallimahamad-
khan was going to the Canarese
school up to this time, he has finish
-ed his fourth standard there and
he is going now to the English
school. When my brother (the late
Nawab) was living, he used to
give me every kind of support-

from the state. Since his death I have not received any assistance from the state. I hope that you will be good enough to give a scholarship to my son according to my rank and dignity. There is a practice of giving scholarships to the sons of Khanjadas and other relations of Khanjadas in these schools.

I am the sister of the late Nawab and I bear a near relationship to the present Nawab. In conclusion I beg your honour will consider my petition and give a scholarship to my son.

I beg to remain,

2). The petitioner's statement is enclosed. She states that, about 4 or 5 years ago, she borrowed Rs 670, on pledging two gold Wakis (armlets) weighing 24 Tolas & belonging to her husband, from her brother Mr A. Karimkhan, that she was disappointed in her hopes of redeeming the Wakis, as she got no share according to the Mahomedan law, in her father's estate lately handed over to Mr A.

Karimkhan, that when she was pressed by her brother for the retn of his money, her maternal uncles, Ahmedkhan & Faizahmedkhan, paid the money & redeemed the Wakis (which are now with them) at her request; that she is being pressed by her husband to retn his Wakis & that, therefore, she may kindly be given a free grant of Rs 670/- to enable her to redeem the Wakis from her maternal uncles and to retn them to her husband.

3) It is true that true grants have been made by the State in the instances quoted by the petitioner.

4). The petitioner further states that beyond Rs 1000/- expended from her deceased father's ~~husband~~ estate, on age of her marriage, she got nothing; that her husband lost what little income he had at Bijapur, as he was bound by a written reg^d agreement to stay at Savn after she was married to him & that as these are the days of scarcity

and as she is in embarrassed circumstances, she may be given a grant of Rs 670.

5) That the petitioner got no share in her father's estate lately handed over to Mr. Karimkhan, that she & her husband are not in good circumstances & are struggling for existence & that there have been instances of grants made to the relations of the Nawab, are facts.

6) The petitioner is the sister of the young Nawab's father: Mr. Nasarodin, the husband of the petitioner, has three daughters & one son, all to be educated & married, & is a well behaved gentleman & any help given to him or his wife cannot be misplaced. The Hs. Ws. therefore, respectfully recommend that the grant applied for may be sanctioned.

Khanjadas No: 181 of 1901

Savanur 18.3.1901

To,

The A.P. Agent,

Dharwar.

Sir,

With reference to the Vernacular correspondence ending with your No 8-Sec-D 8-4 28 February 1901 (returned herewith) I have the honor to submit the ~~my~~ report ~~as follows~~ the following:—

2 The applicants are Dhobies working in the households of Bada Mahal Khanjadas on a monthly salary of Rs 3 paid by the state. They ~~[illegible]~~ ask for an increase in their emolument on the ground that the work has become too ~~very~~ heavy ~~consequent on the [illegible]~~ owing to the increase in the number of households as well as in the no of members of households ~~of [illegible]~~ each household. The Dhobies have been drawing this pay ~~at [illegible]~~ since July 1859 when six agreements were executed between the Nawab Abdul Balekhan bin Jang Bahadur and the Khanjadas of 6 different buffas. There is no doubt

that the work of the Dhobies has increased four times of that it was in 1859 and their claim for an increase in remuneration would seem to be well-founded. Looking to the work devolving on them a monthly salary of Rs 12 now demanded by them cannot be said to be excessive etc. Nine would probably be willing to do the work for lesser emoluments.

3 The Khanjadas claim the services of Hafis, Dhobi, Bhisti & Bhangi under the terms of the agreements of 1859. The late Divans Messrs Morab & Chevde have expressed their opinions that none of the Khanjadas are entitled to the services here claimed under the impression that the Nawab executing the agreements could not bind the state beyond his own life time with such terms as would subject it to heavy progressive charges and that even if it be taken for granted

~~[illegible]~~ that he had such authority

~~[illegible]~~ reason, the Khanjadas of Daffa Kot in

whose agreement the words 'Aulad Afwad'

occur would appear the ~~[illegible]~~ enjoyment of ~~are used~~, ~~[illegible]~~ entitled to the services ~~[illegible]~~

~~[illegible]~~ at the state expence and the descend-

ants of the Khanjadas of the other Daffas (who were parties to the agreement)

would appear to have ~~[illegible]~~ ~~have~~ no such title as the words

'Aulad Afwad' are not used in their agreement in connection with the services.

4 Taking all the circumstances into consideration, it seems advisable that it should be left to the Nawab to finally decide the question of title of the Khanjadas to the hereditary enjoyment of the services, after he assumes the management of the state.

5 If at all the Khanjadas are entitled, they are entitled to the enjoyment of the services but not to any fixed amount or a/c of them. I am of opinion that the state should therefore continue to provide the services whatever they may cost until the settlement of the question by the

I concur with
Lawab. Dr Anderson ~~is right in thinking~~ that
slipping of the services ~~during the~~ would provoke
great ill feeling among the Khanjadas.

4 The agreements in question were executed in settlement of family disputes between the Nawab & the Khanzadas, and it seems useless now to question the authority of the Nawab executing the agreements in the propriety of the terms thereof. It would appear from the agreements themselves that the Khanzadas enjoyed the privilege of claiming the services of the 4 servants from a time anterior to the date of agreements. They have also enjoyed the same privilege until now. It would therefore appear equitable that they should continue to enjoy it in the future.

5 The remuneration of the Bhisti & Bhangis has been increased in similar grounds with the sanction of the P. A. (please see correspondences herewith enclosed). The remuneration of the Dhobis also should be increased with the sanction of the P. A. if the excess charge can be met from the provision of Rs 16000 under the head "Allows to Plantations in the Burgh.

Abstract

No: 117 of 1900

12th March 1900

Returned with compliments.

2 The W.S begs respectfully to report that upon a complaint made to the 3rd class Magistrate of Savanur by one Dawood, the ~~camp~~ applicant was tried in case No 6/1896 and convicted under sections 323 & 504 of the I.P.C. and sentenced to pay a fine of Rs. 5 for each offence on 18th June 1896. Against this sentence the applicant appealed to the Political Agent who referred it for disposal to Mr Anderson A.P. agent. The A.P agent heard the appeal ~~but~~ the result has not as yet been communicated to either to this office or to the 3rd class Magistrate.

2 The W.S. respectfully begs to submit that if the applicant's request were to be granted similar manifold demands are sure to be made by other Khanjadas & Sirdars. It is impossible for this state which has a very limited income to meet all such demands. and any such expenditure would embarass The Nawab when he assumes the management. The applicant has a monthly ~~income~~ allowance of Rs 5-9-3. He now requests for a monthly stipend of Rs. 16 for two of his sons i.e Rs 8 for each boy mentioned above

The request is under ~~all~~ the circumstances preposterous and the W.S. is therefore humbly of opinion that

it should not be granted.

4 A copy of the memo recorded by Mr Inchcape Bell agent with regard to the conduct of the applicant is submitted herewith for perusal.

2. The applicant has already been granted a loan of Rs 300 from the State at an interest of 18 percent per annum on the 1st of Safar 1316 Hijari i.e in February 1897 on the security of his hereditary monthly allowance of Rs 5-9-3. Out of this principal, Rs 182-6-2 are still due and the amount will be cleared off by the end of Rabilakhar 1321 Hijari i.e after 3 years more. If a further loan be granted as requested, it will take a very long time before the whole amount is cleared off.

3. The yadidar ~~does~~ is not reported to follow any profession for the purpose of earning his livelihood. ~~Unless he takes to some business to gain his livelihood~~, unless he does so there ~~is no~~ seems no hope of his getting out of indebtedness. The H.S. is clearly of opinion that granting ~~them~~ him any loan to discharge his debts incurred by living extravagantly & idly ~~is~~ would in fact amount to encouraging ~~them~~ him indirectly to lead an idle life.

because

~~because~~

So long as their allowances are mortgaged to the State, they will, without doing any work, go on contracting debts with Gowdkars in the hope of getting further loans from the State on the security of allowances. If loans are withheld in such cases, they will, out of necessity, employ themselves in some way or other & thus earn their livelihood.

4. The U. S. does not at all wish to be severe towards the applicant and the above report will not, it is hoped, be taken in that light. But he is sincerely desirous that the applicant should improve himself by giving up idleness &c.

5. If the applicant has been put to any loss at Basankop, it may not be great.

6. Under the circumstances mentioned, the U. S. is not at all inclined to recommend any further grant of loan to the applicant from the State.

(4) The U. S. would therefore respectfully submit that the applicant's request for a loan may not be granted.

Sir,

With reference to your memo No 796 dated 20th ult. I beg to report as follows

The correspondence noted in the margin (to be referred to as "the correspondence") is as follows

1 Correspondence commencing with Clerk Subhopi's report No 7 of 7-8-01 & ending with A.P.A.'s No 242 of 13-10-01

Correspondence commencing with application of 18-7-02 of abdul Vajirkhan to the A.P.A. & ending with the A.P.A.'s No S.M. No 122 of 8-12-02

that applicant would not be
given a free grant from the
State & had better apply for
a loan. This order has been
duly communicated to applicant
& but no application for a loan has
yet been recd from him in this office.

Applicant's allegation that 1300 Rs

Sir,

I respectfully beg to bring to your notice the fact that of the five scholarships that have been granted to this school, one has been, as a special case, granted to Mahabubkhan wd. Husenkhan Sur now studying under Std. VII in the Govt. High School, Dharwar. I now hear that he has applied for an increased monthly help. I can have, of course, no objection to it, as he deserves it. But in case his request is granted & the scholarship of Rs 4/ per month, which he now enjoys, is converted into a greater monthly help with the sanction of the Political Age-

Dharwar, for only the difference there is every chance of the school losing it altogether in course of time, especially because the applicant has a mind to prosecute his studies further after passing the Matriculation Examination, in which case at least the same help will, it is very probable, be continued to him. I, therefore, beg to request that you will be so good as to give back the said scholarship to this School & to obtain separate sanction from the Political Agent, Dharwar, for the whole help he has asked for.

Sir,

I the undersigned Mahboob Khan s/o Hussen-Khan am a Savanur scholar reading in the seventh standard of the Dharwar High school. If you were kind enough to grant me a scholarship of Rs 4 from the state funds to prosecute my course and I am benefitted by it. But sorry, I am unable to provide myself with board, as out of Rs 4 Rs 3 go for school fee and Rs 1 for sundry school expenses. I am therefore obliged to trouble you with a further request so to increase the scholarship that I may defray out of it my board expenses.

How far my circumstances are entitled to

the kind considerations of the state which you have the honour to represent will be evident from the facts given below: ——

(1) My grandfather was the material uncle of the late Nawab Dalel-Khan the great and my father was the maternal uncle of the late Nawab Dalel-Khan.

(2) My grandfather was also Divan of the Savanur state. He brought many lands into the state of cultivation increased the state revenues and did many other acts of public good for the state, which it would be out of place to enumerate here in a petition like this. Suffice it to say that the big tank at Savanur and the aqueduct thereto are the monumentary evidence of his good services to the

state. He prepared the wellknown Savanur 'bags' by his own money which now yield to the state an annual income of something like Rs 10000 a year

(3) The Savanur state was kind enough to grant a scholarship of Rs 10 to some of the Savanur students who attended the Dharwar High school.

I therefore regret the favour of your kindly granting me a like substantial scholarship with due regard to my circumstances and claims and for this act of kindness I shall ever remember you as my benefactor.

2). It will be seen from Mr A Karimkhan's letter of 16/9/05 enclosed that the amt due to him is Rs 3605 including capital (Rs 3000) & interest Rs (605 to 31st Aug 05). Mr Karimkhan admits that, by mistake he overstated the amount due to him

from the petitioner.

Assuming that this matter is disposed of the current month the additional interest payable for 3 months will be about Rs 75/- & the total debt payable will be Rs 3675. The earlier the matter is disposed of the better it is in the interest of the applicant.

The amount required for marriage expenses is Rs 100. The total loan to be given thus amounts to Rs 3800 including the cost of (a) stamps required for executing the necessary documents (b) registration.

3). It will be seen from the pps that the annual income, in normal years, from the Inam lands to be mortgaged to the State will not be less than Rs 400 per annum.

It will be apparent from the rough (pencil) calculations made & enclosed that the loan of Rs 3800 will be discharged, at the usual rate of interest, in not more than 15 years.

4) The value of the lands is estimated @ Rs 6000. The lands are under cultivation & are held in Inam. They are situated close to the village site of Savaiar. The security for the loan is thus good and there is apparently

no reason to apprehend any loss to the State from the transaction. Looking at the proposal from whatever standpoint the proposal seems free from objection.

5) The previous correspondence ending with R.P. c/o S.A. No 16 / 10-8-05 is enclosed.

2) The ppts of the case are enclosed as desired.

3). The aff ventures to think that there cannot be a better case for State help. It will be apparent from the facts of the case that the petitioners are in a pitiable condition and are deserving of State help. Of the parties 2 are ~~females~~ widows & one is a minor and any help given cannot fail to ultimately benefit them all. Everything seems in favour of the proposal.

The creditors are ready to remit part of their dues. The Marwadi especially who has obtained a decree against the petitioners & has caused their property to be attached, has been, after personal influence, persuaded to remit a part of the debt due to him.

The State too loses nothingly the transaction. The security for the loan is good & the State gets so much in the way of interest.

Below No 489 of 14-10-05 from the A. P. Agent asking the Dewan to ~~report~~ supply the required by the P. Agent in his No 5092 of 22-7-05 regarding the petition of Zaffia & Bandi for a debt.
No 506 of 1905.

Returned with compliments.

2) The information required by the P. Agent in his No 5092 has been partly furnished by the petitioners. The information on other points is given below

3) The allowances referred to are monthly

There seems no objection for Zaffia (except her allowance of Rs 6-12-4 which is a life allowance & which she claims through her husband) & for Bandi to alienate the estate which they have inherited from their father & which consists of a house worth about Rs 300 & a land (S. No 348) worth about Rs 500 for the liquidation of a debt (Rs 783 odd) which was contracted by their father

may be observed ~~by~~ otherwise than the estate

It ~~which~~ will be sold in execution

of a Civil Court's decree. It would

seem from the papers there is no ~~alternative~~ way out of the difficulty

~~appear~~ that ~~it is just the reason that~~ the

Court in satisfaction of a decree obtained against the

unless it ~~is~~ ~~is~~ alienated by ~~Taylor & Bannerji~~

in favour of the minor & his 3 uncles

for the discharge of the same debt

~~that~~ If a loan is given, as proposed,

the estate will remain in the family

of the minor.

The value of the house which

Taylor & Bannerji propose to retain

is estimated at Rs 300

4) A tabular pedigree has already

been furnished by the petitioners

5) The jot Inam lands at Teggihalli were

purchased about ~~50 to 60~~ the 50th years ago

by Shrisenkiah the grandfather of the minor

& mortgaged in 1899 to Raghavendra
Swamiriar without possession.

Raghavendra Swamiriar
may sue the minor & his uncle
for his debt (Rs 375) & recover his
share from the hands of Strangers.
The transaction proposed is therefore
in the interests of the minor.

The redemption of the hand
mortgage may also ultimately
benefit the minor after the death of
Tayi, who has ½ share in it. She is
willing to alienate her ½ share in the
land of her father & proposes to sell the
half the house, and during her life
It is not likely that she may sell
her ½ share in the house, considering
that she is prepared to alienate
her share in her father's land in fa

of the Divan

5) Whatever the subordinate rights of the parties in the house & landed property at Saranur & Teggihalli will the parties interested in the cash allowance of Rs 8-6-0 monthly agree to mortgage it to the State & there seems no objection to grant the loan on the undisputed security of the allowance.

6) All the papers of the case are inclosed
